Endurance Ireland Rules

Section 1: Objectives

The objective of Endurance Ireland is to promote the sport of endurance. At all times please note the most recent version of the FEI rules supercedes any relevant rules that follow. For a copy of these rules please check https://inside.fei.org/sites/default/files/FEI%20Endurance%20Rules%20-%201%20January%202021%20-%20CLEAN.final_.pdf.

Section 2: Code of Conduct

2.1 Riders must

- 2.1.1 Be polite at all times
- 2.1.2 Make any complaints in writing to the Ride Organiser, preferably on the day in writing
- 2.1.3 Give consideration to other riders, landowners and the general public, particularly when riding through private and state lands and when overtaking or passing.
- 2.1.4 All horses will pass on the right when overtaking and right shoulder to right shoulder when passing in opposite direction
- 2.1.5 Pay attention to any special instructions given by the organiser
- 2.1.6 Be in control of their horse, or not compete
- 2.1.7 Make sure crews are properly briefed on these rules as well as the route
- 2.1.8 Ensure that they and their horse are adequately crewed taking into account the type of ride
- 2.1.9 Dogs must be kept on a leash and not go near the vetting area
- 2.1.10 Not leave any litter (including equine litter from the trailer / lorry)

2.2 Horses

- 2.2.1 Should be prepared and educated to ensure a reasonable standard of behaviour
- 2.2.2 Stallions must be bridled at all times (exception see 2.2.3) and must carry blue ribbons on tail and bridle (both sides)
- 2.2.3 Stallions may at CRs of 60km and upwards remove their bit in their crew area once it is safe and secure. On leaving crew area stallion must be bitted.
- 2.2.4 Tail ribbons are recommended for novice horses (Green) and horses with a propensity to kick (Red), Stallions must wear BLUE on tail and both sides of bridle
- 2.2.5 Save when safely enclosed in a stable, corral, lorry or trailer, a horse must not be left unattended or unsecured at a ride.

2.3 Crews

- 2.3.1 Do not obstruct roads, other riders, houses, gateways or the route
- 2.3.2 Do not obscure rider vision of check point location
- 2.3.3 Do not race around roads – rallying strictly forbidden
- 2.3.4 Do not precede or follow your rider on the route
- 2.3.5 Do not crew from a vehicle
- 2.3.6 Do not use a lorry for mobile crewing
- 2.3.7 Do leave any litter (including equine litter from the trailer / lorry)
- 2.3.8 Refer to Sec 12 for fuller guidance

Endurance Ireland Rules

Section 3: Types of Rides and Horse and Rider Status

3.1 Trail Rides (TRs)

- 3.1.1 There will be a compulsory annual re-registration fee for horses.
- 3.1.2 Horse will be aged 4 yrs or over (1st Jan)
- 3.1.3 Rider will be aged 4 yrs or over (accompanied as required by Sec 15)
- 3.1.4 Log Book not essential
- 3.1.5 Membership not essential
- 3.1.6 Speed 8 KPH – 16KPH (5 MPH – 10MPH)
- 3.1.7 Distances : Up to and including (39km), this may be extended at the discretion of the Committee for specific events
- 3.1.8 Vetting: Horse will be required to trot up, as per section 4.1.2 and the rider may request a vetting at the veterinary surgeons convenience.

3.2 Competitive Rides (CRs)

3.2.1 Age of Horse

- 3.2.1.1 5yrs Novice (may not compete on consecutive days)
- 3.2.1.2 6 yrs and over (1st Jan) Open
- 3.2.1.3 6 yrs and over (1st Jan) Advanced or to compete FEI
- 3.2.1.4 9 yrs and over (1st Jan) To compete in FEI championship

3.2.2 Age of rider

- 3.2.2.1 9 yrs and over (accompanied as required by section 15) Strides + and Novice
- 3.2.2.2 10 yrs and over (accompanied as required by section 15) Intermediate and Open
- 3.2.2.3 12 yrs and over Advanced

3.2.3 Log Card

- 3.2.3.1 Mandatory
- 3.2.3.2 Master Log Card must be produced to Ride Organiser on entry

3.2.4 Vetting

- 3.2.4.1 Mandatory

3.2.5 Membership

- 3.2.5.1 Mandatory

3.2.6 Distances Grading

- 3.2.6.1 Strides +: 30-35km x 4
- 3.2.6.2 Training CR: Up to and including 39km
- 3.2.6.3 Novice :40km-50km x 3
- 3.2.6.4 Intermediate: 50km – 79km x2
- 3.2.6.5 Open :80km -100km x2
- 3.2.6.6 Advanced: 100km > x1

3.2.7 First Season

- 3.2.7.1 A horse may not compete at Open level in its first competitive season irrespective of age.
- 3.2.7.2 A rider may go OPEN in a first season on a suitably qualified horse.

3.2.8 Speed

- 3.2.8.1 8-15kph.....Training CR
- 3.2.8.2 10-16kph.....Novice, Strides +
- 3.2.8.3 10-16kphIntermediate
- 3.2.8.4 10kph >..... Open
- 3.2.8.5 14kph >..... Advanced

3.2.9 Mandatory Rest for Horses

- 3.2.9.1 After competing in a CEI or National Event (i.e. a CR or TR), a Horse must be given a mandatory minimum rest period, as defined by the FEI Rules, before it is again eligible to participate in a National or FEI Competition:
 - Distance completed 0 to 54km 5 days

Endurance Ireland Rules

- Over 54 to 106km 12 days
- Over 106 to 126km 19 days
- Over 126 to 146km 26 days
- Over 146km 33 days

3.2.9.2 In addition to above the following mandatory minimum rest periods apply:

- Horses that exceed an average of 20km/hr over completed loops of a course – 7days
- Second FTQ-Metabolic in a rolling year – 14 days
- Third or subsequent FTQ – Metabolic in a rolling year – 60 days
- Third or subsequent FTQ – Gait in a rolling year – 180 days and must be examined in accordance with a specific protocol prior to returning to competition
- Serious injury (musculoskeletal) – 180 days
- Serious injury (metabolic) – 60 days

3.2.10 General

3.2.10.1 Horse and rider may qualify separately, must progress sequentially through the qualification system up to Open Final, and in combination must compete at the level of the less qualified of the pair.

3.2.10.2 Horses who have are Open/Advanced qualified who have not completed a distance in excess of 64km in the previous 24 months will be eligible to compete at Intermediate Level. They will retain their Open/Advanced grading, this will be for competition purposes only.

3.2.10.3 In order to progress beyond the Novice grading riders must attend a training day in advance of their first Intermediate ride.

3.2.10.4 Any person accompanying a child undertaking strides + shall be awarded the mileage as CR mileage once they meet the qualifying criteria, however this mileage will not grant them any qualifying status.

3.2.10.5 Any person undertaking a training CR shall be awarded the mileage as CR mileage once they meet the qualifying criteria, however this mileage will not grant them any qualifying status.

3.2.10.6 Any rider or horse entering an intermediate or open ride must first have ridden a novice distance in the given year (where the highest novice distance at a given ride is ridden). In the event that an entrant has not completed this, they must obtain permission from the committee 1 week prior to entering the event.

3.2.10.7 A horse is deemed to have its birthday on 1 January the year that it was born

3.2.10.8 The age of the horse is determined as of the date of the Event for which eligibility to participate is sought, and must be confirmed either through reliable registrations or written veterinary opinion, which may be recorded in the Horse Passport

3.2.10.9 Pregnant Mares – a mare in advanced pregnancy, meaning over 120 days, or with foal at foot, may not be entered (or participate) in any event

3.3 FEI Rides

3.3.1 FEI Qualification are set down by the FEI which Endurance Ireland will adhere to. See www.fei.org for full details.

3.3.2 Any rider using Endurance Ireland mileage in their qualifications for FEI must have their COC form signed off by the Endurance Ireland Committee.

3.4 Ride Venue Requirements

3.4.1 Distances cannot go below the minimum stated for each grade

3.4.2 For Competitive Rides the minimum distance of a loop shall not be less than 16km unless approved by the Committee.

3.4.3 Access to water should be provided every 10km either through a water or crew point where possible

Endurance Ireland Rules

Section 4: Vetting

4.1 Pre-Ride

- 4.1.1 Horses which the veterinary surgeon or Endurance Judge considers unfit to take part due to, for example, generally poor condition, saddle-sores, girth galls, severe brushing marks, or any condition unacceptable to the veterinary surgeon will not be allowed to start.
- 4.1.2 Trail Riders will may be requested to trot up before allowing to start and comply with all requests of the Vet /Endurance Judge and after riding
- 4.1.3 The information required from the competitor must be accurately completed on the sheet before presenting for inspection
- 4.1.4 The purpose of the pre-ride veterinary inspection is:
 - 4.1.4.1 To make sure that the animal is fit to start and carry its rider
 - 4.1.4.2 Establish base line parameters, for (<=60 BPM) heart rate etc.
 - 4.1.4.3 Check gait, action, current lesions, trauma and behaviour
 - 4.1.4.4 Check shoes in the absence of a farrier inspection
- 4.1.5 Bad manners at the Veterinary Inspection on the part of the horse or rider may result in disqualification
- 4.1.6 The horses must be presented to the veterinary surgeon unsaddled, with its hooves unoiled and well under control with either a head collar or bridle, except in the case of a stallion who must be presented in a bridle complete with bit for the inspection. He may have the bit removed during the hold period to allow free consumption of food.
- 4.1.7 A whip may be carried at the trot up and in competition up to and including novice, but the horse may not be struck
- 4.1.8 The horse will be examined for heart rate, action, hydration, mucous membrane, capillary refill, general condition, lacerations and wounds, tenderness and any other matter which the veterinary surgeon considers relevant
- 4.1.9 The veterinary surgeons decision is final, there is no appeal process.

4.2 Inspections during the ride

- 4.2.1 During ride inspections will be aligned with the FEI rules where possible for rides up to 90km and must be adhered to in rides over 90km
- 4.2.2 Formal mid-ride inspections (Vet Gate) should be situated not more than 40 Km apart but no closer than 20km apart, but this distance can be extended by the organiser in the case of practical difficulties in locating a Vet Gate on course
- 4.2.3 In addition to the formal mid-ride inspections, additional inspections may be held at the discretion of the Organiser and /or the veterinary surgeon taking into account the length of the ride, the terrain of the course and the prevailing weather conditions. The rules set out in para 4.1 shall apply to these inspections. They may be held at the start of compulsory halts on the course and CR and ER horses must be presented within 15 Mins of arrival at a vet gate.
- 4.2.4 Spot checks may be carried out on horses during the ride and riders must comply with the veterinary recommendations arising from such inspections. Any time lost arising from these inspections will not be allowed. A horse may be eliminated as a result of such an inspection.
- 4.2.5 Vet Gate Veterinary Inspections precede the compulsory halt.
- 4.2.6 The duration of the halt will normally be 30 mins but may be extended in line with FEI rules or by the organiser in conjunction with the attending Veterinary Surgeon/Endurance Judge.
- 4.2.7 On arrival rider to inform time keeper of their arrival time (AT). AT to be obtained by rider / crew
- 4.2.8 The horse must be presented for vetting within 15 Mins of arrival at the vet gate or it will automatically be eliminated. This vetting period may be extended at the discretion of the

Endurance Ireland Rules

Committee for certain events or classes at the event. FEI rides are according to the ride schedule for the ride.

- 4.2.9 Crews may attend to the horse and rider during this period.
- 4.2.10 When the horse is presented for inspection the time will be noted by the vet gate time keeper
- 4.2.11 If the horse passes the pulse parameters it will normally be subjected to a one minute Ridgeway test i.e. CRI (Cardiac Recovery Index) The horse's heart rate must be 64 BPM or below to proceed to the Ridgeway test. The horse is trotted away for 30Mtrs and back for 30Mtrs. exactly 60 secs after the commencement of the trot the horses pulse is retaken and it must be 64 BPM or below.
- 4.2.12 If the horse fails the veterinary inspection on pulse parameters, it may be represented at any time provided this is still within 15min minutes of the arrival time. Only one representation is allowed. If a horse fails the inspection for any other reason, it cannot be represented.
- 4.2.13 Any horse which is either not presented, or not represented for a second inspection within 15 minutes of arrival at a vet gate, must be examined by a veterinary surgeon before leaving the vet gate area.
- 4.2.14 When the horse passes loop finish line it moves into the timed hold (rest period) This time will be recorded on the vet card. The timed hold period will be recorded on the vet card and the horse will be allowed to continue at any time after the expiry of the timed hold period.

4.3 Inspections at conclusion of the ride

- 4.3.1 All competitors and pleasure riders must report back to the timekeeper on return
- 4.3.2 The veterinary procedure used for examinations will take place in the same sequence as a mid ride inspection, save that a horse cannot be represented under any circumstances
- 4.3.3 If a horse fails to arrive within the specified time it will be eliminated.
- 4.3.4 All horses eliminated, retired, out of time or other will report to the vet for a post ride inspection.
- 4.3.5 Horses and competitors will be eliminated for exceeding the set speed limits.

4.4 General

- 4.4.1 All decisions made by a veterinary surgeon are final and are not subject to any appeal or debate.
- 4.4.2 A rider will be responsible for the cost of any veterinary treatment incurred in relation to his or her horse
- 4.4.3 Once vet has been called for, the horse must proceed without interference at a reasonable pace showing constant forward motion to the vet (i.e. no crewing can take place once vet has been called for)

Section 5: Conduct of Rides

- 5.1 Events will be conducted in such a manner not to prejudice Horse Welfare this includes ensuring the following are suitable in order to allow the event take place:
 - 5.1.1 Competition areas: Horses must be trained and compete on suitable and safe surfaces, all obstacles and riding conditions must be designated with the safety of the Horse in mind
 - 5.1.2 Ground Surfaces: All surfaces must be assessed to ensure that they are in a condition to reduce factors that could lead to injury
 - 5.1.3 Extreme weather: Competitions must not take place in extreme weather conditions that may compromise Horse welfare or safety.
 - 5.1.4 Stabling at Events: Any stabling provided must be safe, hygienic, comfortable, well ventilated and of a sufficient size, washing down areas and water must be always available

Endurance Ireland Rules

- 5.2 Only those horses which have successfully passed a pre-ride veterinary inspection will be allowed to start a CRs and TRs
- 5.3 In CRs and TR's the time commences on crossing the start line. In ER's the time commences at the time designated for the horse and rider to commence, whether or not the horse and rider cross the start line at that time, and if they do not cross the start line within 15 mins of the designated time they shall be deemed to have withdrawn from the race. In all rides the time finishes on crossing the finish line. Speeds are calculated excluding all compulsory hold times.
- 5.4 Riders must cross the start and finish lines of all rides mounted.
- 5.5 Riders must ride the route as indicated on the map provided and approach all checkpoints / vet gates in the correct direction and in the correction sequence. Any rider who deviates from the route may be eliminated
- 5.6 Rider must familiarise themselves with the route as per the map. Endurance Ireland does not accept any responsibility for lost, misplaced, or vandalised markers.
- 5.7 Any horse or rider disqualified, eliminated or retiring on course must leave the route of the course as soon as possible and inform the time-keeper forthwith.
- 5.8 The organiser can refuse any entry without giving a reason
- 5.9 The organiser may not ride at their own ride unless they have agreed an alternative grounds person with the Committee in advance of the ride
- 5.10 In competitive rides the rider must ensure that the result is correctly recorded in the Log Book and the Rider Log Card
- 5.11 In multiple day rides, horse and rider combinations must successfully complete the ride in full, to be awarded a pass.
- 5.12 CR and TR riders must present membership cards and log books to the Organiser on the day of the event.
- 5.13 All riders, organisers and attendees must follow the Endurance Ireland COVID-19 procedures and polices, and any directions given by a Committee Member, COVID-19 Officer or Organiser at Endurance Ireland Events.

Section 6: Tack

- 6.1 It is the rider's responsibility (or the supervising adults, in the case of an accompanied junior) to ensure that the tack fits the horse, in a safe condition and enables the rider to exercise control without imposing undue restrictions on the horse.
- 6.2 Boots and bandages are permitted but must be removed for veterinary inspections
- 6.3 Tail ribbons are recommended. Red in the case of a horse with a propensity to kick, Green for a novice horse or not accustomed to company. Blue tail and bridle ribbons are compulsory for stallions
- 6.4 Prohibited items include blinkers, hoods, bearing, running, side or check reins, spurs, metal chain nose bands, electronic or mechanical equipment excluding pulse and temperature monitors. Whips in excess of 30 Inches and any other items judged by the ride organiser / veterinary surgeon to be potentially harmful to the welfare of the horse.
- 6.5 Any shank (lever arm) on a bit may not exceed 8cm
- 6.6 Nosebands must not be so tight as to risk causing irritation to skin and must be adjusted to allow at least 2 fingers under the noseband in front of the nose
- 6.7 Whips may be carried up to and including Novice level.

Section 7: Shoeing

- 7.1 It is the riders responsibility (or supervising adult) to ensure that the horse is adequately shod
- 7.2 Any horse not properly shod for the ride will not be allowed to start

Endurance Ireland Rules

- 7.3 Horses may participate without shoes. But given the nature of a course the organiser / veterinary surgeon may not allow the horse to start
- 7.4 Equiboots or their equivalent are permitted, except on horses which start without shoes
- 7.5 A rider will be responsible for the cost of any farrier expenses incurred in relation to his / her horse
- 7.6

Section 8 : Dress

- 8.1 Riders must wear properly secured hats / crash helmets at all times when mounted. The head gear must comply with current standards.
- 8.2 Riders must use footwear with at least half an inch heel unless a stirrup cage is used, to prevent the foot slipping through the stirrup.
- 8.3 Riders should be appropriately and safely dressed. Competitive riders must wear the number bib allocated to them at all times during the ride. The person presenting a horse for a veterinary inspection must wear the numbered bib allocated to their rider

Section 9: Fitness of Rider

- 9.1 Riders should not attempt a ride unless they have attained a level of fitness and health commensurate with the nature of the ride and the prevailing weather conditions.
- 9.2 Riders considered by the organiser to be unfit or injured, before or during a ride may be excluded or eliminated.
- 9.3 "Rider" shall mean any member of Endurance Ireland who has competed in any CR and TR at any time and any non-member of Endurance Ireland who is competing in such a ride.

Section 10: Additives and Drugs

- 10.1 Fly sprays and wound dressings may be used, but must be declared on first presentation after administration
- 10.2 Endurance Ireland adopts FEI , Horse Sport Ireland and WADA anti doping policys . See www.fei.org, www.horsesportireland.ie and www.wada.org
- 10.3 All riders and horses at events are considered to have consented to drug testing on entry to the event

Section 11: Crews and Crewing

- 11.1 Riders may receive help in tending their horse, before, during and after the ride, while on course (except in prohibited areas), at compulsory halts and veterinary inspections.
- 11.2 Riders may receive assistance in recovering their horse, if separated, in adjusting equipment, replacing lost or loose shoes and may be handed food or equipment.
- 11.3 In the case of a (Intermediate) ride of 64 Km (40 Miles) or over riders must have a crew of sufficient number and sufficient mobility to enable the rider and the horse to be properly cared for before, during and after the ride, and for the horse to be recovered within a reasonable time in the event of a mid-ride retirement or elimination. The Organiser may refuse to allow to compete, or eliminate, a rider for breach of this rule.
- 11.4 Intervention by a third party with the objective of giving an unfair advantage, will result in elimination of the rider. This includes leading the horse, encouraging the horse at a hazard and accompanying the rider on foot, by vehicle or on horseback (except as in Junior Riders).
- 11.5 All crews must comply with specific crewing instructions for the ride.

Endurance Ireland Rules

- 11.6 The rider is responsible for the actions of his or her crew members and non compliance with any rule (either in these rules or specific to the ride) may result in elimination of the rider and disciplinary action being taken against the rider.
- 11.7 A rider may not use as a crew member any person who has been forbidden to act as a crew member by the Committee

Section 12: Conduct and Behaviour

- 12.1 The Disciplinary Committee appointed by the Committee shall investigate conduct, behaviour and complaints arising out of a member's membership of Endurance Ireland, participation in activities organised by Endurance Ireland, participation in activities organised by other equestrian organisations in Ireland and elsewhere and his or her general conduct in relation to the care and control of horses and which may be brought by any organiser, officiating veterinary surgeon, member, branch committee, director, another equestrian organisation.
- 12.2 Any disciplinary matter should be expedited and should not, unless in exceptional circumstances, be delayed. The Disciplinary Committee shall deliver its finding and order within six weeks from the instigation of the complaint to the Sec of the Committee.
- 12.3 It is every riders responsibility to familiarise themselves with Endurance Ireland rules.
- 12.4 The disciplinary committee shall concern itself with.**
 - 12.4.1 Dangerous riding
 - 12.4.1 Discourteous or unsporting conduct and behaviour
 - 12.4.2 Breaches of rules of Endurance Ireland.
 - 12.4.3 Bullying of any members is not permitted within Endurance Ireland.
 - 12.4.4 Action which would bring Endurance Ireland and the sport of endurance riding into disrepute.
 - 12.4.5 Action which is not conducive to the well being of a horse, whether it is ridden in Endurance Ireland rides or not.
 - 12.4.6 Participation in Endurance Ireland events while being suspended or expelled from membership
- 12.5 The Disciplinary Committee shall carry out its investigations in such a manner as it considers appropriate provided that the member under investigation shall be given a statement advising of the complaint against him, or her and shall be given an opportunity, on reasonable notice, to appear before the Disciplinary Committee, with or without representation, and to address the Disciplinary Committee
 - 12.5.1 The Disciplinary Committee after due consideration of all the evidence available to it and any representations made to it by, or on behalf of, the complainant and the member, and on consideration of any previous disciplinary decisions in relation to the member, shall be empowered to make all or any of the following penalties
 - 12.5.2 Dismiss the complaint
 - 12.5.3 Admonish the member
 - 12.5.4 Warn the member as to future conduct
 - 12.5.5 Suspend the member from membership for a specified period, measured either by time, or number of rides, during which participation in Endurance Ireland activities will not be permitted.
 - 12.5.6 Expel the member from membership of Endurance Ireland
 - 12.5.7 Declare the completion of any ride, including a number of rides, to be void.
 - 12.5.8 Order the member, or the complainant, to pay all or a contribution towards the costs and expenses reasonably incurred by the Disciplinary Committee or Endurance Ireland in relation to its investigation.
 - 12.5.9 Make any other order deemed appropriate.
 - 12.6 There is no appeal against a decision of the Disciplinary Committee

Endurance Ireland Rules

- 12.7 The Committee may publish in full or in summary form, a decision of the Disciplinary Committee to such parties and organisations and to the membership at large as it considers appropriate in all the circumstances

Section 13: Appeals relating to Rides

- 13.1 There is no appeal against a decision of a veterinary surgeon
- 13.2 Other appeals must be lodged in writing with the ride organiser on the day of the ride of a ride, not later than one hour after the publication of the results
- 13.3 The Organiser shall, if possible, and after consultation with the appropriate personnel, give a decision on the day and shall advise all parties who appear to the Organiser to have an interest in the result.
- 13.4 Any party aggrieved by the decision of the Organiser may refer the matter in writing to the Committee, as he or she shall consider appropriate, within a period of 14 days from the date of the decision. If the referring party is not the original appellant, a fee as set out in 14.3 must be lodged.
- 13.5 If the Organiser is unable or unwilling to give a decision on the day, he or she shall refer the appeal to the Committee, as the Organiser shall consider appropriate.
- 13.6 In exceptional circumstances appeals may be lodged with the Committee provided special reasons exist as to why an appeal was not lodged on the day with the organiser. Such appeals shall be in writing, stating the special reasons and be lodged with the fess as set out above and must be lodged as soon as practicable, and not later than 7 days from the ride date..
- 13.7 The Committee after consideration of all the evidence made available to it, shall make its decision and advise all parties who appear to have an interest in the result. The decision shall be final.
- 13.8 The results of all appeals must be referred by the Organiser to the Committee. The Committee may publish in full or in summary form, a result to such parties and organisations and to the membership at large as it considers appropriate in all the circumstances.
- 13.9 All members and Committee should use their best endeavours to resolve any differences fairly, informally and as quickly as possible, making representations, decisions and accepting the result of any such appeal in a sporting spirit.

Section 14: Membership

- 14.1 Endurance Ireland reserves the right to refuse membership.
- 14.2 Where membership is refused the person involved will be informed in writing within 14 days of the decision.

Section 15: Junior Riders

- 15.1 Junior Riders who are members must have their membership form signed by their parent/guardian in order to be members of Endurance Ireland, this is a permission slip for all rides that Rider undertakes in that year of membership. Where online membership forms are used payment and submission is taken as authorisation from their parent/guardian for membership
- 15.2 For all Junior Riders not members, that is any person under the age of 18 a Junior Rider Payment given at the ride is taken as parental/guardian consent of authorisation. The person who brought the child to the ride as their de facto Guardian.
- 15.3 It is the responsibility of the supervising adults to arrange adequate supervision, ensure tack fits, is in a safe condition, that the mount is suitable for the rider and distances to be ridden.
- 15.4 Riders must be over the age of 4 years in order to ride at an Endurance Ireland Event.

Endurance Ireland Rules

- 15.5 Junior Riders between the age of 4 yrs and 16 yrs may take part in the Endurance Ireland Strides, (See Appendix 1 for sheet) and Strides +. The speeds and distances allowable for Strides are detailed in Appendix 1.
- 15.6 Junior Riders over the age of 9 may take part in Endurance Ireland standard grading if they wish. Once they are Intermediate qualified, they may ride unaccompanied. The maximum distance Junior Riders under 12 may undertake is 32km unless undertaking Strides +.
- 15.7 Junior Riders under 18 may not ride a stallion.
- 15.8 It is the responsibility of the supervising adults to ensure that they and their junior rider/s comply with all riding rules that apply to them and their mounts.
- 15.9 Junior riders under Intermediate and non member junior riders must not ride alone at an event until they have attained their 14th birthday.
- 15.10 Note: Junior Riders in the Mini Competition may be accompanied on foot by their Supervising Adult on lead rein. Junior Riders in the Midi Competition may be on lead rein accompanied by a riding Supervising Adult. This is the only exception to Section 2.

Section 16: Awards and Trophies

- 16.1 Awards and trophies are awarded on a yearly basis by the awards committee
- 16.2 Adult members after their first year must organise or help out in the capacity of course marker/vet writer & timekeeper at a ride in order to be eligible for trophies. Junior members aged 6 and over must help out at a ride supervised by their guardian.
- 16.3 It is the responsibility of the Trophy Winner to have the trophy engraved prior to its return to the Endurance Ireland Committee.
- 16.4 Trophies must be returned on or before the date specified by the Committee which shall be no later than 14 days in advance on the Annual Meeting.
- 16.5 In the event that a trophy is damaged or the recipient fails to return the trophy to the Committee when required, future awards to that Owner/Rider will be at the discretion of the Committee.
- 16.6 Replacement of any damaged/lost trophies is the responsibility of the recipient.

Section 17: Riding at Non Endurance Ireland Events

- 17.1 All members must advise the Committee where they take part in a competitive ride at another Endurance Club (either in Ireland or abroad) and provide a copy of the vet sheet obtained, this is only to ensure club compliance with mandatory holds
- 17.2 Such evidence must be provided within 5 working days of the event to the secretary of Endurance Ireland via email at endurancesecretary@gmail.com, failure to do so may result in disciplinary action
- 17.3 Members must note, the mandatory rest periods apply regardless of where you ride, ie with another club. If you are in a mandatory rest period you must not take place in any events. Failure to comply with these holds will result in disciplinary action
